

Directions to Dillon Bass

From Belfast:

Take the West Link country bound and join the M1 in the direction of Craigavon, Dublin and the West. Take the first exit off the M1 (for A55, Outer Ring/Kings Hall), about 1 mile from the start of the motorway and take the second exit off the roundabout. You will now be travelling along Stockmans Way. Continue along the lane for about 700 yards until you see five office buildings with blue window frames on your right. Our offices are located on the second floor of the second office building.

From M1

Take the Stockmans Lane exit (Junction 2/A55 Outer Ring/Kings Hall) off the M1 (about 1 mile from the end of the motorway) and take the fourth exit off the roundabout. You will now be travelling along Stockmans Way. Drive along the lane for about 700 yards until you see five office buildings with blue window frames on your right. Our offices are located on the second floor of the second office building.

From M2

Head towards Belfast, leaving the M2 motorway when you see the exit signs for the M1 Motorway. This will guide you to a dual carriageway called the West Link, which is essentially a Belfast By-Pass. Travel along the West Link for 2 miles and join the M1 in the direction of Craigavon, Dublin and the West. Take the first exit off the M1 (for A55, Outer Ring/Kings Hall), about 1 mile from the start of the motorway and take the second exit off the roundabout. You will now be travelling along Stockmans Way. Continue along the lane for about 700 yards until you see five office buildings with blue window frames on your right. Our offices are located on the second floor of the second office building.
